

Collection Natural Appeal

Floor tiles wood effect

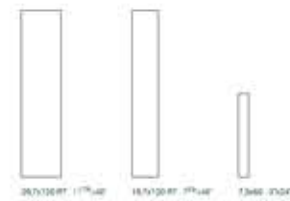

Nature comes into and furnishes the home. Natural Appeal is a porcelain stoneware tile collection inspired by the feel, the colors and the shades of natural wood.

With warm enshrouding colors it transfers strength and vitality, warmth and harmony to ambiances. Modern and versatile, Natural Appeal is extremely practical, hygienic, resistant and maintains its characteristics unaltered over in time.

Elegant and welcoming, it wraps every ambiance with natural charm.

Developed over 4 modern and extremely natural color hues, it transmits warmth and character to ambiances, creating suggestive and enshrouding atmospheres.

Natural Appeal is the ideal solution for environments, be they residential or public, it is the floor cladding suitable for those who do not wish to relinquish the warmth and beauty of wood, even in challenging environments, such as the bathroom, the kitchen and the outdoors of the home, as well as in commercial environments subject to a more intense stress.
